Join us for a pre-registration event for **A UNIVERSE OF STORIES**, this year's summer reading program. Through this program, your child can earn a **Free Book** by reading 20 minutes a day, participate in challenges, and attend library or community events.

During this special event, enroll in summer reading for the whole family and register for a free library card! While supplies last, we will be giving out free books for students in preschool through fourth grade. We recommend attending early with the back page of this form completed, as there is a limited supply of books. Active participants in **A UNIVERSE OF STORIES** are invited to an end of summer celebration where they will receive more free books.

*\* You don't need a library card to participate in the summer reading program*

**\*\* A special thank you to Friends of Avondale Libraries, and Recreation Representative Lorenzo Sierra and Desert Diamond Casino for making this opportunity happen.**
